** SpacePole Select Pole Curved (PN: MSSPSPM10202)*

SPACEPOLE C FRAME

With a simple and functional design, the C-Frame is an ideal solution for tablet POS. It is elegant, but still robust. It gives protection to your tablet, but without hiding it and provides the flexibility to give your counter a personal look. Perfect for the specialist retailer, pop-up shop, bar, or restaurant, the SpacePole C-Frame is a versatile stand-alone point of sale solution for the Element He10-W+ Tablet.

Code: MSSPSPCFHE1002

SPACEPOLE TABPRINT FOR EPSON TM-M30

Designed to be used in combination with the A-Frame, Spider Frame and X-Frame tablet enclosures.

Rather than having a separate tablet and printer with all the clutter and cabling issues that entails, TabPrint integrates both in one stylish combination, within an ergonomic form factor while cable management is taken care of internally.
