DESIGN. QUALITY. PURPOSE

ABOUT ELEMENT

Element is a technology provider specialising in systems that enable customer service and engagement.

We design and build devices that are used by customers and with customers, wherever they need service. Our mission is to help our clients engage with their customers to increase trust, convenience and loyalty.

We provide 'point of service' devices for delivering information, assistance and sales transactions wherever the customer needs them.

Our range includes:

- » Point of sale systems - for smooth and efficient 'traditional' purchasing experiences
- » Kiosks - for sales or information
- » Mobile devices - for service without leaving the customer or patient's side
- » And more...

All our products are designed by experts with in-depth experience of how they will be used, and the demands that will be placed on them. That's what makes Element products tough, resilient, designed for purpose, ergonomics and style.

Element products are for retailers, QSRs, cinemas, shopping centres, event venues and healthcare providers who want to take customer service to the next level. Our range is available exclusively through Sektor distribution in Australia, New Zealand, Malaysia and Thailand.

Element takes service to the customer, wherever they need it, through

DESIGN, QUALITY AND PURPOSE.

ELEMENT TANSO

10.5" POS TABLET

Performance meets portability—anywhere you mount it.

Sleek, powerful, and ready to go wherever your business takes you, the Element Tanso is a Windows 11 POS tablet designed for flexibility.

Powered by an Intel® Alder Lake-N100 processor with Intel® UHD Graphics, the Tanso delivers fast, reliable performance for POS, admin, or multimedia tasks. The vibrant 10.5" IPS display offers crisp visuals and responsive touch, perfect for work, service, or interactive use.

[VIEW DATASHEET](#)

In this document, you'll discover a range of universal mounting options to help you get the most out of your Tanso—no matter your environment. Whether mounted to a counter, wall, or stand, its slim design fits seamlessly into any setup.
