

ELEMENT MP11NX

All-in-One POS Tablet

Introducing the **Element MP11NX**, an all-in-one Android POS tablet built for both fixed and mobile service. With a detachable design, integrated NFC, and durable metal stand hub, the MP11NX delivers seamless versatility across retail, hospitality, and more. Powered by a 6nm 8-core 2.2GHz processor and ample storage, it ensures fast, reliable performance. Multi-port connectivity supports effortless device integration, making the MP11NX a compact, high-performing solution for modern payments.

DESIGN - QUALITY - PURPOSE

FEATURES & BENEFITS

Purpose-built for flexibility and performance, the Element MP11NX thrives in both mobile and fixed service scenarios. Its smooth, responsive operation enables quick, hassle-free transactions, while PaySuite® FLEX transforms the MP11NX into a fully integrated tap-to-pay solution—no extra hardware needed.

The sturdy metal stand hub and detachable tablet design make it easy to deploy on counters or carry on the go, adapting effortlessly to the pace of retail, hospitality, and service environments.

With built-in multi-port connectivity, device integration is seamless, and PaySuite® HUB offers intuitive MDM and TMS capabilities for streamlined remote management and control.

Whether docked or handheld, the MP11NX keeps service flowing.

Detachable tablet design

High-speed 8-core processor

Versatile metal stand hub

Ready-to-go setup

Multi-port device connectivity

PaySuite®

PaySuite® FLEX enabled

MODERN, STURDY DESIGN FOR CHECKOUT EFFICIENCY

The Element MP11NX's stand combines sleek aesthetics with robust construction, creating a stable and stylish base for countertop use. Its modern design allows the tablet to be securely and effortlessly docked for fixed-position transactions, making it ideal for checkout counters.

The easy attachment mechanism ensures a smooth transition between mobile and stationary service, enhancing both customer experience and operator efficiency.

PAYSUITE FLEX ENABLED: POWERFUL TAP-TO-PAY SIMPLICITY

The Element MP11NX Payment Tablet is PaySuite® FLEX enabled, transforming it into a powerful, fully integrated tap-to-pay solution.

With PaySuite® FLEX, the MP11NX becomes an all-in-one POS and payment terminal, delivering fast, secure contactless transactions via its built-in Android NFC technology. No additional hardware or complex setup required—just streamlined, card-present payments through a sleek, portable tablet.

Ideal for retail, hospitality, and service environments, PaySuite® FLEX makes the MP11NX a flexible, future-ready solution for seamless, on-the-go payment experiences.

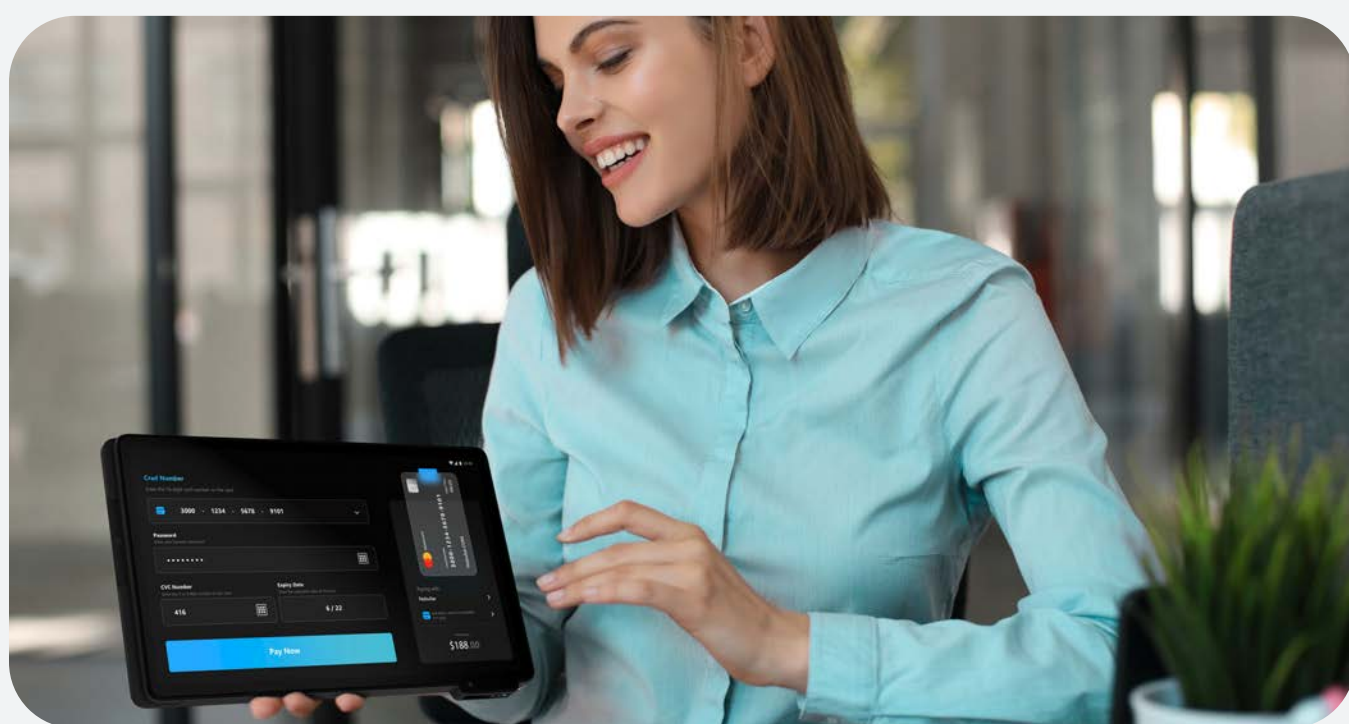

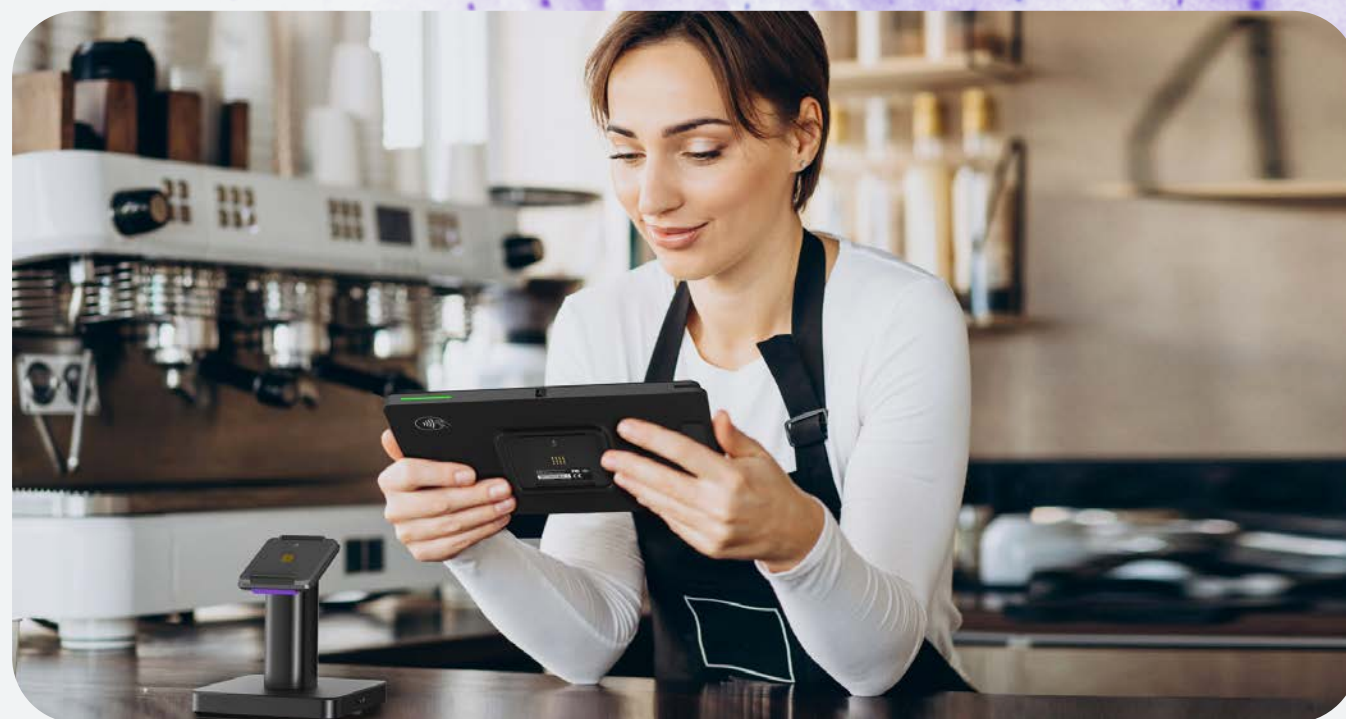

PaySuite® ENABLED

VERSATILITY IN EVERY ENVIRONMENT

Wherever you need to streamline service, the Element MP11INX delivers. Perfect for cafés, hotel lobbies, retail counters, and more, the MP11INX is built to thrive in a wide range of service-focused environments.

With its flexible configurations and sleek footprint, it can be deployed almost anywhere, delivering faster, smarter interactive service experiences your customers will love.

SLIM, LIGHTWEIGHT, AND BUILT FOR MOBILITY

Designed with portability in mind, the Element MP11INX features a slim and lightweight form factor that makes it ideal for mobile payment transactions on the floor. Whether assisting customers in retail aisles, hospitality venues, or service areas, the MP11INX enables staff to deliver fast, flexible, and personalised service—anywhere it's needed.

Its ergonomic design ensures all-day comfort and ease of use in dynamic, high-paced environments.

WHY ELEMENT ?

Element is a technology provider specialising in systems that enable customer service and engagement.

We design and build devices that are used by customers and with customers, wherever they need service. Our mission is to help our clients engage with their customers to increase trust, convenience and loyalty.

We provide 'point of service' devices for delivering information, assistance and sales transactions wherever the customer needs them.

Our range includes:

- » Point of sale systems - for smooth and efficient 'traditional' purchasing experiences
- » Kiosks - for sales or information
- » Mobile devices - for service without leaving the customer or patient's side
- » And more...

All our products are designed by experts with in-depth experience of how they will be used, and the demands that will be placed on them. That's what makes Element products tough, resilient, designed for purpose, ergonomics and style.

Element products are for retailers, QSRs, cinemas, shopping centres, event venues and healthcare providers who want to take customer service to the next level. Our range is available exclusively through Sektor distribution in Australia, New Zealand, Malaysia and Thailand.

Element takes service to the customer, wherever they need it, through:

DESIGN, QUALITY AND PURPOSE.
