FEATURES & BENEFITS

Purpose-built for modern retail, the Element Nebullar GM156 redefines entry-level with effortless performance and elegant simplicity. Its intuitive interface and fluid operation make everyday transactions faster and easier—whether you're serving customers at the counter or scaling across multiple locations.

With PaySuite® FLEX, the GM156 becomes a fully integrated tap-to-pay solution—no extra hardware required. Pair it with PaySuite® HUB to unlock seamless device management, remote updates, and centralised control across your fleet.

Designed to fit the pace of today's retail, hospitality, and service environments, the GM156 delivers smart functionality in a sleek, space-saving footprint—bringing powerful, connected experiences to the front line of your business.

- Android 13
- High-speed 8-core processor
- Versatile metal stand hub
- Ready-to-go setup
- Multi-port device connectivity
- PaySuite® FLEX enabled

element™ NEBULLAR

MODERN, STURDY DESIGN FOR CHECKOUT EFFICIENCY

The Element Nebullar GM156's stand combines sleek aesthetics with robust construction, creating a stable and stylish base for countertop use.

PaySuite® *ENABLED*

PAYSUITE FLEX ENABLED: POWERFUL TAP-TO-PAY SIMPLICITY

The Element Nebullar GM156 Desktop POS **(Dual Screen)** is **PaySuite® FLEX-enabled**, transforming it into a powerful, fully integrated tap-to-pay solution.

PaySuite® FLEX turns the GM156 into an all-in-one POS and payment terminal, delivering fast, secure contactless transactions through its built-in Android technology. No additional hardware or complex setup required—just streamlined, card-present payments from a single device.

Ideal for retail, hospitality and service environments, the dual-screen GM156 with PaySuite® FLEX offers a flexible, future-ready solution for seamless payment experiences.
